

**RESPONSIVE REMARKS TO
OCTOBER 28, 2008 NOTICE OF NON-COMPLIANT AMENDMENT**

The Notice of Non-Compliant Amendment stated that the "Double brackets are to be used when a strikethrough cannot be easily perceived, and can only be used for five or fewer characters. The applicant is using Double brackets for more than 5 characters in Claim 31".

Accordingly, the Corrected Amendments to the Claims with a Corrected Listing of Claims filed herewith, uses strikethrough instead of double brackets to indicate deletion of more than five (5) characters in Claim 31.

The Notice of Non-Compliant Amendment indicated that only the corrected section of the non-compliant amendment, namely, a Corrected Listing of the Claims, should be filed. Therefore, the previously filed Response and Remarks regarding the Office Action dated March 17, 2008 are relied on and are not repeated here. Reconsideration of the application in view of the Corrected Amendments to the Claims and the previously filed Response and Remarks is respectfully requested.

Respectfully submitted,
KHORSANDI PATENT LAW GROUP, ALC
